GOLF & COUNTRY CLUB

OVERVIEW

Our goal at Lynwood Golf & Country Club is to create pathways for our junior golfers to develop and support them becoming the best players they can be. CHRg (Castle Hill RSL Group) has a very proud history of supporting grassroots sports and many other community activities to provide opportunities for people in our world to learn, grow and strive to achieve their best. Our scholarship programs, delivered through our Lynwood Junior Golf Academy, are split into four (4) development levels - from beginners to elites, and run for a 12 month term, commencing 1st September to 31st August each year.

During the scholarship year, our goal is to ensure that Lynwood's Junior Golf Academy Scholars develop new skills, build on existing ones and progress through our Academy ranks. To progress within our Academy, a commitment by all successful scholars is required through attendance of academy lessons, coaching sessions and golf play.

CHRG is very excited to provide up-and-coming golfers with the opportunity to apply for a position in our Junior Scholarship Academy. We are passionate about supporting golfing development and creating pathways for our youth, all while enjoying the great game of golf!
